FOR IMMEDIATE RELEASE

Tax Strategies Workshop

The tax season is upon us and many individuals are beginning to prepare all the paperwork for their federal income tax. To ease consumer concerns during this stressful time, Kern Schools Federal Credit Union (KSFCU) is providing a complimentary workshop on *Tax Strategies* with speaker Sherrie Mitchell, tax accountant and owner of Kern Tax Service, and Larry Braley, KSFCU Investment Services Manager. With over 22 years experience, Mitchell will help lessen consumer tax burden by covering the new tax law changes which may have an effect on 2009 filings, she will discuss ways to get organized and how to take full advantage of deductions, with an opportunity to provide answers to any tax questions. Braley will be discussing which savings and investments products (such as IRAs, bonds, stocks, employer sponsored retirement plans, life insurance, and annuities) have the most favored tax status and provide additional investment strategies to consider.

KSFCU's free *Tax Strategies* educational workshop will be held on Thursday, February 18, 2010, from 6:00 pm – 7:30 pm at KSFCU's Administration Building located at 9500 Ming Ave, one block west of the Marketplace shopping center. Consumers can sign-up by calling 833-7045 or by going online at www.ksfcu.org.
